

KNIGHTS BEAT MILTON 8-0 IN CLOSE CONTEST

42-yard Pass Leads to First Win in the Tri-State Conf.

The Wartburg Knights downed a Milton team that had won on the Milton Field Oct. 17 to give them their first Tri-State victory and the first time in three years to feel in ten starts. A safety and touchdown from a 42-yard pass was the only points in the contest.

The Knights exhibited their scoring power for the first time this year when they punched over a touchdown in the first half and a fourth quarter after having blocked a Milton punt out of the end zone for a safety.

Both teams played tight ball in the first half, and although Wartburg had the ball in the air in three passes, they could not get close enough to the pay-off line for a touchdown.

Opperman Gets Pass

In the third quarter the Knights launched a drive that took them to the Milton field for down after a fumble. On the 42-yard line, after two Milton attempts had been stopped in the end zone for a safety, Early in the fourth quarter, Opperman, on the third play on the fifth-yard line after taking Stachling's 42-yard pass, ran through the line for a touchdown.

Milton's only serious threat came right at the end of the second quarter when they had a 10-yard pass and a 15-yard line on a long pass and a lateral.

On the first down, Miller making four passes and Wartburg counting on the 10-yard line, the Knights took for all but two of their total.

**TEACHING them
young**

If you are anxious to give your children a million dollars, the least you can do is give them good habits! They're never too young to begin learning about them... that's why it's never too early to start bringing them to Penney's. They'll learn the habit of thrifty saving early, and save them the trouble of learning from sad experience later.

Bring the children in to Penney's to fill all their Fall and Winter needs! You'll be setting them a good example... and saving yourself money besides!

KNIGHTS DROP TOUGH BATTLE TO MASON CITY

Jaysees Win 21-13 on Breaks to Keep Win Streak.

The Wartburg Knights lost to the Mason City Jaysees on the Mason's Field Oct. 23 when bad breaks plus the with the increased opposition from the Jaysees gave the contest 21-13.

Wartburg has been hampered in the past year because she did not know what action would be taken. The Jaysees capitalized on a 10-yard line break and a 20-yard line break to give the Jaysees the contest 21-13.

Wartburg's win brightened their winning streak to 17 consecutive victories.

The Wartburg Knights played a fine game throughout the contest, driving the Mason's yard-line line, but the Jaysees capitalized on a 10-yard line break and a 20-yard line break, the interception of a lateral pass, and an official's decision to disallow a touchdown as measured a touchdown on the 10-yard line.

The creation of our own athletic field would be a great stride forward for the school. The remodeling of the school or the erection of a new one.

BANK ROOM

Frank Koop, who was laid low with a bad cold, will not be seen in his regular position at left end the last two Mitten stamps. Ellementer cracked through the line and Leopoldi was in the end zone for a safety.

Early in the fourth quarter, on the fifth-yard line after taking Stachling's 42-yard pass, the Knights ran through for a touchdown.

Miller's only serious threat

came right at the end of the second quarter when they had a 10-yard pass and a 15-yard line on a long pass and a lateral.

On the first down, Miller making four passes and Wartburg counting on the 10-yard line, the Knights took for all but two of their total.

The game is from Wartburg, having only two grid games remaining on their 1936 schedule. On Nov. 6 Wartburg will play the Mason City Jaysees at the Mason's Field. On Nov. 13, the Jaysees will play the Mason City Knights at the Knights' Field.

ACKNOWLEDGMENTS

With Dick Suberster, I am grateful to him for this is the last chance for my prognostications stand at the same

current advance source. So far my prognostications stand at the same

center as the last time I saw him, center, but now I am afraid I may forge ahead because when I last saw him he said the Jaysees will lose their Assurance Day game to the Jaysees but after a hard battle, I believe he is right.

However, first they are going to tip Greenback from the unbeaten

Knights.
